

# **WATER SERVICE DISCONNECTION REQUEST**

Please discontinue water service at the following address:

---

---

Please send final bill to:

---

---

---

I have been informed that service will be restored at this location when the **Reconnection Fee** plus a \$35.00 service charge and all applicable meter deposits are paid. **Reconnection fees** are determined by multiplying the minimum charge of \$32.00 times the number of month's water service has been discontinued for a maximum of 10 months.
